

# GRAM S3

DESIGNED  
IN EUROPE

## Portable scale for multiple applications

- **Lightweight:** Includes handles for easy transport.
- **Easy to clean:** Stainless steel plate and rounded edges.
- **Watertight:** IP-65 protection against dust and liquids.
- **Connectivity:** Data sent directly to the PC.
- **Customisable:** Configure ticket printing.

### ► Functions:

- **Test:** Identifies whether the weight is within a range of values.
- **Piece counter:** Determines the exact number of pieces.
- **Auto-hold:** Maintains the weight value on the screen even if the object is removed.
- **Tare memory:** 20 tare memories and last weighing.

► **Applications**

Ideal for working in damp environments where extreme cleanliness is required, such as weighing wet food, ingredients and agriculture. Suitable for use in packaging and industry, due to its ability to weigh large objects and store the weight value.

► **HACCP compliant design.**

Total air/water-tightness technology with silicone seals, with no sharp edges to ensure protection against entry of liquids, easy to clean and reduces the accumulation of wastes.

Model	S3 6	S3 15	S3 30	S3 6RS	S3 15RS	S3 30RS
Reference	6159	6160	6161	70158	70153	70154
Capacity (g)	6,000	15,000	30,000	6,000	15,000	30,000
Resolution (g)	0.5	1	2	0.5	1	2
Power supply	230 V / 50 Hz (Euro)					
Working temperature	+5°C / +35°C					
Battery life	30 - 60 hours					
Viewer	Backlit LCD					
Segments	6 digits					
Digit height (mm)	20					
Weighing units	g (kg), lb, oz					
Structure material	ABS					
Plate material	Stainless steel					
Connectivity	No		RS 232-C, USB (Optional)			
Air/water-tightness protection	IP-65					
Dim. weighing plate (mm)	250 x 197					
Dim. of the product (mm)	291 x 330 x 98					
Product net weight (kg)	3.7					
Dim. packaging (mm)	380 x 350 x 225					
Total weight with packaging (kg)	4.6					
MSRP (€)	---	---	---	---	---	---

► **Direct power supply rechargeable battery power cable**

The power supply cable is fitted with a plug that guarantees air/water-tightness, and includes a rechargeable battery with a range of 30 to 60 hours.

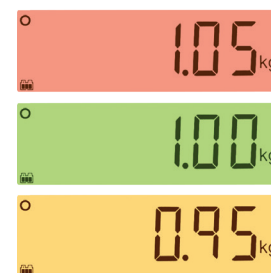

► **Connectivity**

Cable or wireless (optional) printer connection. Ticket with date, time, product, batch, ticket number, b/n weight, tare, page header and footer. Data output directly to PC via USB without software. Compatible with management software (ERP, SGA) and PC applications.

► **Multicolour screen**

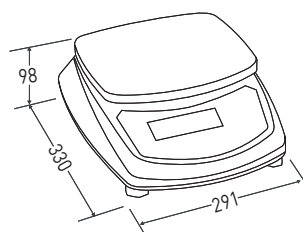

The display changes colour to indicate whether the weight is above or (red), below (yellow) or within (green) the set range.

Ref.	Accessories	MSRP (€)
